1. Introduction

Shri Baneshwar Shikshan Sanstha's, Arts, Science and Commerce College, Burhannagar has working since 2004. Since then, the internal evaluation system has been transparent and robust. Undergraduate level Savitribai Phule Pune University Pune's internal evaluation is done in the college as per the norms and guidelines Term end examinations are conducted as per the pattern of 2013. According to score of term end exam 60 marks are converted to 20 for B.A., B.com. Assessment for B.Sc. degree is the internal examination is conducted by the college at the end of the semester. Its coefficient is 10 marks. At the beginning of academic year, a time table is prepared for internal exams and implemented as per the rules of the examination department. The college has an independent examination office with CCTV and internet connectivity. The college has appointed an internal senior supervisor and an examination officer for the examination. Subject Teacher of each subject are prepared two sets of Term End Exam Question Papers. Examination is done considering PO and CO. The balance of objective and subjective questions is maintained by looking at the ability of the students. An examination officer is appointed to control all these systems. Internal vigilance team is also appointed. The vigilance committee adheres strictly to the rules. The answer sheets are moderated by proper evaluation. Complaints regarding examinations are planned by the examination committee to the colleges. The results are declared as per the university rules. Students can apply for re-evaluation within ten days after the results are declared.

The CBCS pattern has implemented since 2019. According to this pattern, the internal assessment of 30 marks in each subject is done as per the rules laid down by the university. Semester is taken as per university rules. University examination conducted for 70 marks. The first-year students entering the college are evaluated on the basis of their academic performance and slow learner and advance learner students are divided. For the students with low marks efforts are taken to bring them along with the advanced students. Also, guest lecturer, competitive examination guidance, extra lecture is organized for advanced learner. With the proper planning of the examinations conducted in the college, the question papers of all the internal examinations are kept in the college in a systematic manner. Students are a major component of Baneshwar Institute, IQAC department is constantly working on activities based on the intellectual knowledge of the students. The IQAC department also interacts with the examination committee and students from time to time. A Student Grievance Redressal Cell has been set up to deal with student academic grievances. The examination committee handles the examination complaints properly. Transparency is maintained in conducting examinations under the college which are conducted in compliance with all the rules of the university.

All disputes with the students regarding the examination are handled in accordance with the criteria of the affiliated university. Savitribai Phule FYB.A., FY BSc, FYB.Com FYBCS, FY BCA examinations are conducted for each session as per the guidelines of Pune University. The College Examination Committee conducts its internal examinations in a very transparent and rigorous manner. All the information about the exam is posted on the board 15 days before the start of the college exam. An internal vigilance committee is appointed to ensure smoothness and transparency in the university examinations held in the college. The process of results of examinations is completed within the time given by the university.

Complaints related to examinations are redressed by the Examination Grievance Redressal Committee at the college level. Complaints related to the examination such as non-record of marks, erroneous seat numbers and other entries in the name are resolved by verification. The examination committee divides the complaint and takes action on it. Within 10 to 15 days after the results are announced, students can apply for verification of their marks or re-evaluation of their answer sheets. Complaints at the institutional level are dealt with in a timely manner through examination committees.

Criterion II: TEACHING learning and Evaluation [QnM-2.5.1]

Photocopies of the evaluated answer sheets are made available in due course as per the demand of the students. Complaints regarding examinations from the college are followed up regularly and the concerned students are informed about the remedial measures. Internal assessment marks are filled on the website of the affiliated university. And it is sent to the university within the stipulated time.

2. College Examination Committee

The college examination committee is constituted in the HEI for the smooth and effective functioning of the examination process. Savitribai Phule Pune University
Faculty of Commerce & Management
Structure for Three - Year
B.Com. Degree course (Choice Based Credit System)
(2019 Pattern)
With effect from June 2019

Preamble:-

Commerce education is that area of education, which develops the required knowledge, skills and attitudes for the handling of Trade, Commerce and Industry. Commerce education is entirely different from other disciplines. Hence, it must charter Course routes to service the aspirations of the nation. To meet the growing needs of the business society, there is greater demand for sound development of commerce education. The relevance of commerce education has become more imperative, this means a marked change in the way commerce and management education is perceived in India. The Commerce education is dedicated to developing tomorrow's leaders, managers, and professionals.

The existing education system of imparting commerce education needs to be more dynamic to incorporate all local and global changes in the field of trade and commerce. The curriculum needs to be restructured accordingly. The learning inputs are required to be more update, skill based and with appropriate applications. This will be achieved through the introduction of Choice based Credit System at undergraduate level.

The choice based credit system offers a cafeteria approach where the students have the liberty to choose courses of their own choice. The credit system allows students to opt for additional courses where he /she can score more than the required credits. The system will focus on student centric learning methods, which include use of Information and Communication Technology, innovative methods of teaching and learning and emphasis on industry interaction to enable the learners to take up professional challenges more effectively.

8. RESTRUCTURING OF COURSES

This revised course structure shall be made applicable to the colleges implementing 'Restructured Programme at the undergraduate level from June, 2019. The Colleges under the Restructured Programme which has revised their structure in the light of the "2019 Pattern" shall be introduced with effect from academic year 2019-20.

9. STANDARD OF PASSING.

A candidate is required to obtain 40% marks in Internal Assessment, Practical Examination and Semester End University Examination. It means that passing separately at internal assessment, practical examination and semester end university examination is compulsory.

10. METHODS OF EVALUATION, PASSING, AND EVALUATION CRITERIA:-

The evaluation of students will be done on three parameters:-

- a. Internal assessment
- b. Practical Examination (list of Courses having practical is given in note No. 4)
- c. University examination

For university examination, question papers will be set for seventy marks (three hours duration)

Evaluation will be done on a continuous basis, three times during each semester. Internal assessment will be of 30 marks. The colleges need to adopt any three out of the following methods for internal assessment:-

- a. Written examination
- b. Quiz
- c. Presentations
- d. Projects
- e. Assignments
- f. Tutorials
- g. Oral examination

II. STRUCTURE OF TRANSCRIPT:

Conversion of percentage into credit(s) and grade(s):The following illustrations could be taken as an example for computing SGPA and CGPA from percentage to credits for Honours courses in all disciplines, degree Program courses in Science subjects and degree Program courses in Humanities, Social Sciences and Commerce subjects:

1. Percentage to Grades and Grade Points

The following formula may be used to convert marks (%) into letter grades:

Let \bar{x} = mean of % age marks of all student appeared in the paper.

σ = Standard deviation

m = % of marks obtained

| Letter grade | Numerical grade | Formula |
|-------------------|-----------------|--|
| O (outstanding) | 10 | $m \geq \bar{x} + 2.5 \sigma$ |
| A+ (Excellent) | 9 | $\bar{x} + 2.0 \sigma \leq m < \bar{x} + 2.5 \sigma$ |
| A (Very Good) | 8 | $\bar{x} + 1.5 \sigma \leq m < \bar{x} + 2.0 \sigma$ |
| B+ (Good) | 7 | $\bar{x} + 1.0 \sigma \leq m < \bar{x} + 1.5 \sigma$ |
| B (Above average) | 6 | $\bar{x} \leq m < \bar{x} + \sigma$ |
| C (Average) | 5 | $\bar{x} - 0.5 \sigma \leq m < \bar{x}$ |
| D (Pass) | 4 | $\bar{x} - \sigma \leq m < \bar{x} - 0.5 \sigma$ |
| F (Fail) | 0 | $m < \bar{x} - \sigma$ |
| Ab (Absent) | 0 | |

* Minor variations may be adjusted by the individual institution.

- 1 A student obtaining Grade F shall be considered failed and will be required to reappear in the examination.
- 2 For non credit courses 'Satisfactory' or 'Unsatisfactory' shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA.
- 3 The Universities can decide on the grade or percentage of marks required to pass in a course and also the CGPA required to qualify for a degree taking into consideration the recommendations of the statutory professional councils such as AICTE, MCI, BCI, NCTE etc.,
- 4 The statutory requirement for eligibility to enter as assistant professor in colleges and universities in the disciplines of arts, science, commerce etc., is a minimum average mark of 50% and 55% in relevant postgraduate degree respectively for reserved and general category. Hence, it is recommended that the cut-off marks for grade B shall not be less than 50% and

Savitribai Phule Pune University, Pune
Bachelor of Business Administration (Computer Application)
BBA(CA)
(Under faculty of Commerce & Management)
(To be implemented from Academic year 2019-20)

1. Name of Programme: Bachelor of Business Administration (Computer Application)

2. Introduction:

The degree shall be titled as Bachelor of Business Administration (B.B.A.)(Computer Application) under the Faculty of Commerce and Management. First Year B.B.A.(CA) choice based credit system is implemented w.e.f. the academic year 2019-2020 , Second Year B.B.A.(CA) II will be implement w.e.f. 2020-2021 and Third Year B.B.A.(CA) III w.e.f. 2021-2022

3. Programme Objectives:

- To produce skill oriented human resource.
- To impart practical skills among students.
- To make industry ready resource.
- To bring the spirit of entrepreneurship.

4. Programme Structure:

- The Programme is of a Three Year (Six semesters) Full Time Degree Programme.
- The programme shall be based on credit system comprising 132 credits.

5. Eligibility for Admission

- A candidate is eligible for admission to the Degree in Bachelor of Business Administration – Computer Application after passing 12th Std. examination (H.S.C. 10 +2) from any stream with English as passing subject and has secured 40% marks at 12th std.
- Three Years Diploma after S.S.C. i.e. 10th Standard of Board of Technical Education conducted by Government of Maharashtra or its equivalent.
- Two Years Diploma in Pharmacy after H.S.C., of Board of Technical Education conducted by Government of Maharashtra or its equivalent.
- MCVC

6. Medium of Instruction: English

7. Award of Credits:

- Each course having 3 credits shall be evaluated out of 100 marks and student should secure at least 40 marks to earn full credits of that course.
- Each course with 2 credits for Sem-I & Sem-II, Sem-V & Sem-VI is divided in theory (50%) & practical (50%) and for Sem-III,IV there will be project work for students. For all practical and project there will be university evaluation. For Sem-I,II,V&VI (30%Internal & 70%Extrenal) is the pattern of evaluation.
- GPA shall be calculated based on the marks obtained in the respective subject provided that student should have obtained credits for that course.

8. Evaluation Pattern:

- Each course carrying 100 marks shall be evaluated with Continuous Assessment (CA) and University Evaluation (UE) mechanism. Continuous assessment shall be of 30 marks while University Evaluation shall be of 70 marks. To pass in the course, a student has to secure minimum 40 marks provided that he should secure minimum 28 marks in University Evaluation (UE).
- CA shall be based on internal tests (minimum 2 for 20 marks). In addition, for remaining 10 marks a teacher may assign various activities such as home assignments;

tutorials, seminars, presentations, group discussion etc, to the students and evaluate accordingly.

9. Method of Evaluation and Evaluation Criteria: - 1. Internal Assessment 30 marks for all theory related subjects 2. Practical and Project will be evaluated separately 3.SPPU - Examination will be 70 marks

- **1. Instructions for teachers for internal evaluation for 30 Marks** - The purpose of internal evaluation is to assess the depth of knowledge, understanding and awareness. For this purpose a teacher is expected to use different evaluation methods in order to have rational and objective assessment of the learners and available resources.
- The class work will carry 30 marks in each course. Internal Evaluation includes continuous evaluation of a student by adopting variety of techniques such as Assignments, Presentation, Internal examination, Group Discussions , Projects etc.
- There shall be Four small projects /Tutorials for internal evaluation as compulsory part of assessment (Semester I ,II ,III and IV).

2. Project Examination

For course on Practical and Project work as per the regular practice there will be Written Report and viva presentation of 100 marks at SPPU level.

3. External Examination: - There will be written Examination of 70 marks and 3 hrs duration for every course at the end of each Semester.

Setting of Question Papers (Applicable to theory subjects)

1. A candidate shall have to answer the questions in all the subjects in English only.
2. Question papers shall be framed so as to ensure that no part of the syllabus is left out of study by a candidate.
3. question paper shall be balanced in respect of various topics outlined in the syllabus.
4. The question papers shall have a combination of long, short answer and MCQ type questions.

10. Restructuring of courses –Equivalence and Transitory Provision

The University will conduct examination of old course for next three academic years from the date of implementation of new course.

The candidate of old course will be given three chances to clear his subjects as per the old course and thereafter he will have to appear for the subjects under new course as per the equivalence given to old course.

11. Completion of Degree Programme:

A student who earns 132 credits, shall be considered to have completed the requirements of the B.B.A.(CA) degree program and CGPA will be calculated for such student.

12. Credit Allocation

Title of the Course: B. Sc. (Computer Science)

Preamble:

The B. Sc. (Computer Science) course is systematically designed three year degree program under the faculty of Science and Technology. The objective of the course is to prepare students to undertake careers involving problem solving using computer science and technologies, or to pursue advanced studies and research in computer science. The syllabus which comprises of Computer Science subject along with that of the three allied subjects (Mathematics, Electronics and Statistics) covers the foundational aspects of computing sciences and also develops the requisite professional skills and problem solving abilities using computing sciences.

Introduction:

At the first year of under-graduation, the basic foundations of two important skills required for software development are laid. A course in problem solving and programming along with a course in database fundamentals forms the preliminary skill set for solving computational problems. The practical courses are designed to supplement the theoretical training in the year. Along with Computer Science, the two theoretical and one practical course each in Statistics, Mathematics and Electronics help in building a strong foundation. Career Advancement courses are introduced in both semesters to cover additional areas of Computer Science.

At the second year of under-graduation, computational problem solving skills are further strengthened by a course in Data structures. Software engineering concepts that are required for project design are also introduced. Essential concepts of computer networking are also introduced in this year. The practical course included in both semesters complements the theory courses.

At the third year of under-graduation, all the subjects are designed to fulfill core Computer Science requirements as well as meet the needs of the software industry. Theory courses are adequately supplemented by hands-on practical courses. Skill Enhancement courses enable the students to acquire additional value-added skills.

Objectives:

- To develop problem solving abilities using a computer.
- To build the necessary skill set and analytical abilities for developing computer based solutions for real life problems.
- To train students in professional skills related to Software Industry.
- To prepare necessary knowledge base for research and development in Computer Science.
- To help students build-up a successful career in Computer Science and to produce Entrepreneurs who can innovate and develop software products.

External Evaluation:

Being an affiliated College, it follows the guidelines and schedules of SPPU, Pune for external examination. An utmost care is taken to conduct the university examination in a fair and transparent mechanism. A confidentiality of examination processes is maintained at all levels by employees. The assessment of university examination is carried by university through CAP centres defined by university. The conduct and evaluation of practical examination is carried out at College level through internal and external examiners appointed by university. Marks for external examination are entered on university examination portal and confidentiality is assured. HEI has been appointed as a CAP center for various examinations during last five years. Faculties of College are largely involved in the university examination process in the form of supervisors, paper setters, examiners, moderators, coordinators, etc. and in revaluation process. The results of university examination are communicated to the students immediately after the declaration of results by university. The students are allow to register the grievances if any and resolved to ensure transparency.

Madam,

The University Authorities have been pleased to appoint you for the Chairman in the subject of

| Post Name | Examination | Paper / Subject | Chairman | Important Dates |
|-----------|---------------|--|---|---|
| Chairman | F.Y.B.A | Sociology 2013 Pattern(3 Ques. Paper Set compulsory) | Jadhav Vijay Machindra Shri Baneshwar Shikshan Sanstha Shri Baneshwar Arts, Commerce and Science College Addr. Burhannagar Ta Ahmednagar Dist. Ahmednagar 9226285042 | C-15th Manuscript Submission: 06th Nov. 2020 |
| | BOS.Sociology | | | |

The appointment is based on certain assumptions and subject to the respective provisions of the Maharashtra Public Universities Act 2016 and Statutes, Ordinances, Rules and Regulations framed thereunder. It shall be obligatory on every teacher of affiliated colleges to render necessary assistance and service in respect of examinations of the University. Paper setters are requested to discuss concerns with subject Chairman before the preparation of the multiple choice questions and answer keys for the said examinations. It is expected that there will be the smooth distribution of works by the concerned Chairman of the paper setting panel.

Mode of examinations: It will be the multiple choice examination. There will be four options available for each question. One option will be corresponding to the correct answer. Each question will carry one mark. Panel of the paper setters will prepare 100 questions for each question paper.

Notes: a. **Performance Improvement Examination:** Syllabus completed up to 13th March, 2020
 b. **Backlog Examination:** Question paper shall be prepared on the basis of 100 percent syllabus.

Method of uploading question paper: Each multiple choice question paper (100 questions) shall be uploaded to the designated e-portal through the BCUD login of the Chairman of the paper setting panel. Precaution must be taken to create question paper in pre-defined excel format made available to the panel of paper setters. Please do not modify the template provided for setting of the question paper. Subject code and course title to be clearly notified at appropriate place in the template provided to the setters. In case of requirement of multiple language versions of question papers as prescribed in the syllabus, same must be taken by the Chairman of paper setting panel and associated paper setters during the preparation of the multiple choice question papers so that there will be any social issue after the completion of the said examination.

Yours faithfully,

 For Director, Board of Examination and Evaluation

10. Online Evaluation system:

In academic year due to state-wide and nationwide lockdowns of COVID 19 pandemic, the complete education system was shifted to online education. The evaluation for all kinds of examinations including internal as well as external were also carried out online through various platforms and tools using ICT facilities established at HEI. These tools are mainly G-suite, google forms, google quiz, online orals using zoom/google meetings. The examiners appointed were also interacted online. The links for evaluations carried out by faculties for various courses and programmes are listed below. All these links are available in academic departments.
