1. E-Governance Policy

Scope:

Arts, Science and Commerce College takes a holistic view on the e-Governance enterprises across different activities of the college in an efficient manner. This policy can be applied to the administration, finance, and accounts student admission and support and examination section of the institution.

Objective:

1. To give quick and easy access to information.
2. To promote transparency and accountability.
3. To achieve and create a paperless environment.
4. To make campus Wi-Fi enabled.
5. To establish a fully automated library.

Policy:

College decides to make the following policies.

Administration:

1. To attendance management software to be used by administrative staff and teaching faculty to record and track attendance should be generated to automatically.
2. To administrative office should use advanced excel and file management system tools to maintain effective database.
3. Students must be able to obtain maximum service in online mode.
4. The college will look into opportunities to automate some of its function related to administration.

Finance and Accounts:

1. The account section shall operate and manage their entire accounting operations.
2. The college shall develop a customized portal to enable students to pay their annual fee, examination fee etc. through online mode.
3. Latest version of the software to be purchased and used by the college.
4. Training to the existing staff and updating of the existing software must be done regularly.
5. Reports can be generated for all staff members. Payment is generally made and received through online mode such as an NEFT, RTGS, bank transfer etc.

Student Admission and Support:

1. The college shall adopt online mode of admission process as mandated by university from time to time.
2. An admission portal to be used to manage the admission in the college.
3. The college brings out its brochure which is displayed on website that has guidelines for the admission process.
4. Number of students applying to each course, withdrawals, fee submission, all to be managed through this portal only.

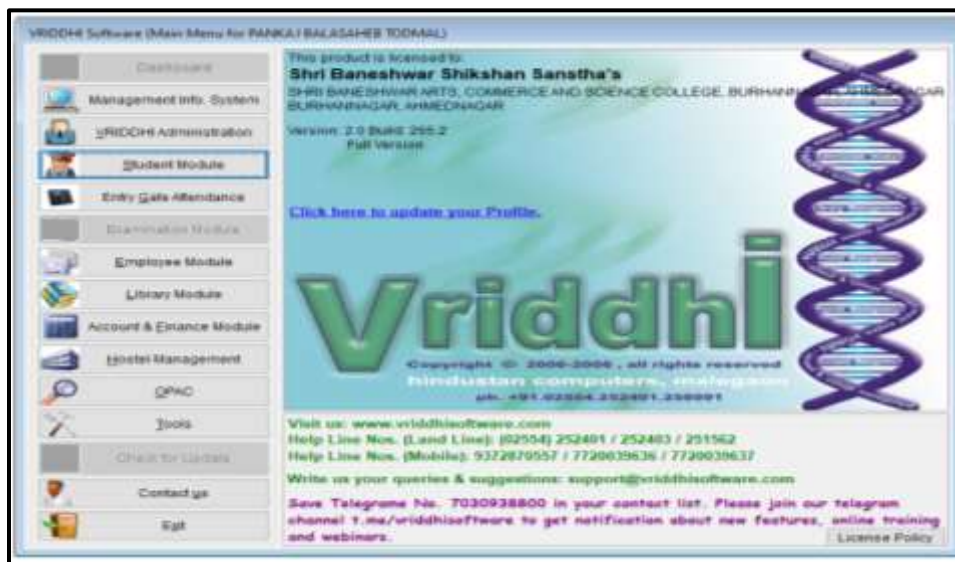

Criterion VI: Governance, Leadership and Management [QnM 6.2.2]

5. Students are required to submit separate online application form for taking admission to the college and for this purpose online software to be used by the admission co-ordinator. Examination Section: The college shall approve online mode of performing exam related processing.

2. Administration
