Field visit:

Shri Baneshwar Shikshan Sansthas's

Arts, Science and Commerce College, Burhannagar, Ahmednagar.

Field Visit Report

Shri Baneshwar Shikshan Sanstha's, Arts, Science and Commerce College, Burhannagar, Ahmednagar, Department of Science Faculty has been organized a Field visit to Mahatma Phule Krishi Vidyapeeth, Rahuri for F.Y.B.Sc., S.Y.B.Sc. and T.Y.B.Sc. students on 05/03/2024 (Tuesday). The MPKV jurisdiction is spread over 10 districts of Western Maharashtra (Kolhapur, Sangli, Satara, Solapur, Pune, Ahmednagar, Nasik, Dhule, Nandurbar and Jalgaon). There are about 70 Students participated for tour. The Mahatma Phule Krishi Vidyapeeth (MPKV), Rahuri is the premier Agricultural University in Maharashtra that renders services to the farmers through Education, Research and Extension Education. The University has a rich heritage to its credit in the field of agricultural education and research by having its origin in the College of Agriculture, Pune. Out of nine-agro-climatic zones of Maharashtra, four agroclimatic zones viz: Western Ghat Zone, Sub-montane Zone, Western Maharashtra Plain Zone and Scarcity Zones fall under the jurisdiction of MPKV.

The primary aim of this field visit is to gather geographical details. Reinforcing experiential and relational learning is the key goal of conducting a field trip for students. Field trips are a way of improving learning in the classroom by creating links to the real world. Field trips introduce students to diverse lifestyles, locations and eras. Mahatma Phule Krishi Vidyapeeth, Rahuri has been the most credible source of information and farm advisory for the farmers of the region. Therefore, lakhs of farmers visit the Central Campus and other Colleges and Research Stations. The faculty and the scientists of the university guide them through the actual fields and laboratories and convince them regarding the technologies generated by the university.

Faculty of Agricultural Science is one of the faculties of the University. This faculty comprises of various 15 departments viz., Agricultural Botany, Agricultural Economics, Agricultural Engineering, Agricultural Entomology, Agricultural Extension & Communication, Agricultural Meteorology, Agronomy, Animal Husbandry and Dairy Science, Biochemistry, Food Science and Technology, Horticulture, Interfaculty Department of Irrigation Water Management, Plant Pathology and Agricultural Microbiology, Soil Science and Agricultural Chemistry and Statistics. Students visits the different departments of the University.

Students visits state level "Gene bank of mahatma Phule Krishi Vidyapeeth, Rahuri". A seed bank has a facility that stores seeds in order to **maintain genetically pure variety for future generations**. Typically, they are flood, bomb, and radiation-proof vaults that store seeds from various plant species. The seeds are usually stored in climate controlled, low humidity and frigid temperatures. Seed banks store seeds from various plant species, ensuring their genetic purity. These seeds act as a valuable resource for future breeding and crop improvement efforts. In

essence, seed banks serve as a type of insurance, allowing us to protect as many plant species as possible from extinction, ensuring a greener and more resilient future.

Next Students visits to "Danwantari Medicinal Garden". Main objective of visiting the medicinal garden is to make the students aware of these plants and also their medicinal and economic values, which is good for health. The aim of cultivating these plants is to preserve the extinction of some rare species. This will also be helpful to students in the future for their socio-economic growth.

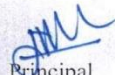

Next visit was at Shanishingapur Situated in Nevasa Taluka in Ahmednagar district, the village is known for its popular temple of Shani, the Hindu god associated with the planet Saturn. The village is 35 kilometers from the city of Ahmednagar and then returning back at the college. The overall was very good.

I want to express my sincere gratitude for Principal of the college Dr.V.M. Jadhav, Chairman of science association Dr.S.G. Wagh being a source of guidance all supportive faculty members and all the students.

NOTICE

Dear Students,

We are pleased to announce an educational trip to **Savitribai Phule Krishi Vidyapeeth, Rahuri** on **5th March 2024**. This trip is organized to provide students with an opportunity to learn and experience new things outside of the classroom.

The trip will be supervised by our college staff, and safety and security will be our top priority. All necessary precautions will be taken to ensure that the trip is safe and enjoyable for everyone.

The details of the trip are as follows:

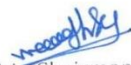

Destination: MPKV Rahuri (Ahmednagar)
Date: 05th March 2024 (1 day)
Departure Time: 08.00 am
Arrival Time: 07.00 pm
Mode of Transportation: Agadgaon Devastan Trust Buses

Activities: Visit to Savitribai Phule Krishi Vidyapeeth, Rahuri and surrounding places. The cost of the trip will be **500/-** per student, which includes transportation, accommodation, meals, and activities. To register for the trip, please complete the attached form and submit it along with the payment to the **class teachers**, by **29th February 2024**. Spaces are limited, so please register early to avoid disappointment.

If you have any questions or concerns about the trip, please do not hesitate to contact your class teachers.

We look forward to having you join us on this exciting educational trip!

Subject : The permission for educational trip....
Applicant : Dr. Wagh S.G. (Chairman of Educational Trip Committee).

Respected sir,

I am writing to request your approval for an educational trip for the students of our BCS, BBACA and BSC department. As a Chairman, I believe that this educational trip will provide a valuable learning experience for our students, allowing them to learn outside of the classroom and gain practical knowledge of 2 Credits in their field of study.

Educational trip will take place on **05th March 2024**. We have identified **68** of students who are interested in participating in the trip, and we have planned a number of activities that are related to our field of study.

The details of the proposed educational trip are as follows:

Destination: **MPKV Rahuri (Ahmednagar)**

Date: **05st March 2024 (1 day)**

Number of students: **68**

Departure Time: **08.00 am**

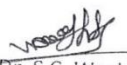

Arrival Time: **07.00 pm**

Mode of Transportation: **Agadgaon Devastan Trust Buses**

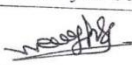

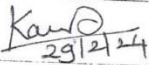

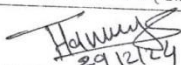

I have obtained the necessary permissions from parents/guardians.

Thank you for considering our proposal. I look forward to hearing from you soon.

Sincerely,

Dr. S.G. Wagh

AVISKAR Activity Report 2023-24

A report on college level Avishkar research competition 2023-24 was organised by Arts, Science and Commerce College Burhannagar along with Savitribai Phule Pune University Pune on 13th September 2023. The Avishkar competition was inaugurated by the principal of the college Dr. S.S. Jadhav. On this occasion IQAC coordinator and A.R.C. Dr. R.H. Shaikh and other teaching and nonteaching staff were present.

In this competition, total 27 groups of students from UG were participating for college level. The students gave an excellent response to this competition. The real purpose of the innovation competition is to encourage talented students from rural areas in the field of research. For that the college conducts research competitions from time to time. The project/ posters were evaluated by judges appointed by the college. The result was declared on the same day.

From these 9 project/ posters were selected for zonal level. All participated students were awarded by certificate and winner were awarded by the trophies the motivation. The principal Dr. S.S. Jadhav Sir, A.R.C. Dr. Shaikh R.H. and AvishkarCoordinator Dr. Wagh S.G. and judges were congratulated the students.
