➤ **Response:**

Debuting from school life to college life is in sense an exploration of new horizons, new environment, new teachers, new friends and a lot of curiosity for new things.

“What you must acquires Without interference from your schooling”.

The foundation of art is laid in the college movement itself through various competitions, workshop activities, interaction and "skill acquisition" activities conducted in the college. Students who are passionate about learning can develop good careers, sense of responsibility and good habits in college itself. Our college has been designed with all kinds of facilities. College teaches how to move forward in society, how to behave with others and how to move forward in life. College is an educational institution and an important part of society.

The purpose of college behind the establishment of this college is to provide opportunities for higher technical education like BSc. (Computer Science), B.B.A(C. A) to rural students. Girls in rural areas are not able to education and families are afraid to send them to urban areas for education. The development of future generation mainly depends upon the education of women from all over the world hence, our college is conveniently located in the rural area for all the students and it is always alert for the safety of them. College always takes the responsibility of nearby student who is deprived of education. The most of our girl students come from rural areas where a condition of higher education is restricted To fulfill their dreams the college provide excellent infrastructure like ladies common room, separate reading room with competitive examination book and well equipped gymkhana.

The vision and mission of the college is.

➤ **Vision**

Our college provides excellence and innovation and success in education to inspire and transform lives in our local community.

➤ **Mission**

Our mission is to prepare learners sensitive education with the knowledge skills and response dispositions to contribute to better society.

➤ **Objective**

- 1) To encourage the student's highest quality for teaching and learning practices. To improve the staff and students with necessary knowledge, skills and attitude for academic excellence.
- 2) To develop overall personality of students. students
- 3) To plant values and social responsibilities among.
- 4) To give education to castles and classless society.
- 5) Our institution is the updating curriculum, improving infrastructure facilities and the faculty and the students to participate in academic development programs and community oriented activities.
- 6) To improve the socially morally and economically backward students and marginal students.

N.S.S department provides the best platform for student to participate in social and cultural activities. '**Earn and learn**' is one of the best examples to describe the approach of the college towards our students. The college runs the scheme for all the students who belong to socially and economically weaker class. This scheme is supported by college through its own funds. Twenty-two students are enrolled in the last year in this scheme.

Despite being students from rural areas at the Indian inter-school level, the students have gained skill in sports competition and the sports students of college have joined the administrative service. Director of physical education guides student very well. Every year student of our college plays a various national game and wins prizes. For these our college is supporting these students.

Our college has a great library. In which e-books and DELNET-**Developing Library Network** facility is available for student. The main objectives of DELNET is to promote Resource sharing among the member-Libraries by collecting, storing information and by offering networked library services to users, offer technical guidance to Members –library. It is simple, single window discovery layer which encourages the users to explore the knowledge resource offered through DELNET. It is a great benefit for faculty, researchers, scholars, students of institution. This facility available for student and teaching staff of our college

The college is expanding its infrastructure with the changing time. For a quality education college develop quality infrastructure. It is the assurance of the college to empower the rural youth with quality education every contributor feels free suggest the ideas for the development of the college.
